PROVISION BANNING 18-YEAR-OLD CALLS IS GIVEN APPROVAL

FATHERS NOT TO BE INDUCTED HEREAFTER: EXPIRES MARCH, 1947

WASHINGTON, June 29.—(A)— President Truman signed into law today legislation extending the draft act until next March 31 and prohibiting the induction of 18 year

Product of a long controversy between the senate and the house, the legislation permits the drafting of 19 year olds and non-fathers up to the age of 46, although in i practice men over 25 have not been inducted for some time. In fact, the army already has an-

nounced it will levy no draft quotas for July and August. Still Must Register.

The new law does not change the existing requirement for 18years olds to register; it simply | prohibits their actual induction. Major provisions of the new law, which replaces a stop-gap bill expiring at midnight June 30: Ages of liability for induction: 19 through 44, both inclusive.

Limit of compulsory service: 18 months for men inducted after October 1, 1946; men inducted prior to October 1 may obtain their release upon request upon completion of 18 months of service. A service period of longer than 18; months may be ordered by the President of congress declares that "the national interest is imperil-

Expires March, 1947. Statutory exemptions: All fathers, unless they volunteer. Fathers now in servic may obtain their discharge upon request after Audraft boards retain their power to grant occupational deferments as in the past. Reinduction: No man shall be

inducted if he already has served in the armed forces abroad or at September 18, 1940. Size of the armed forces: By July 1, 1947—army, 1,070,000; navy 558,000; marine corps, 108,000.
